

VALUE WORKSHEET # 11

Forgiveness

FORGIVENESS is understanding that everyone makes mistakes and not getting mad when someone makes one.

_____ Write two different examples of something that you should forgive a friend or family member for.

1.

2.

_____ Come up with three examples of something you should forgive someone that you don't know for. (Example: Someone in the grocery store accidentally bumps into you)

1.

2.

3.

_____ Write one thing that you have done that a friend or family member has forgiven you for.

1.

_____ What does forgiveness mean to you?
